

JASNA-NY is pleased to announce that we have an
OFFICIAL COSTUMER!

Member Maureen O'Connor designs and makes Regency era costumes like the ones she is wearing in these pictures. In future as our need arises for costumes, she will provide them.

Day dress long sleeve

Day dress short sleeve

When she is not working on costumes for a JASNA-NY presentation,

Maureen will make a Regency day or evening dress like the ones pictured above to your measurements for \$100 (day); \$150 (evening)!

If you want a more elaborate costume such as a dress with a Spencer, discuss the additional cost and time involved with Maureen.

We are grateful that she will donate the proceeds from each costume's sale to our AGM 2012 Fund!

Orders received by August 30 can be ready for the AGM this October.
